

REMARKS

The Notice indicates that the drawings attached to the Amendment were not properly identified in the top margin as "Replacement Sheet", "New Sheet", or "Annotated Sheet" as required by 37 C.F.R. 1.121(d).

However, the drawings attached to the Amendment were simply figures being used to explain arguments beginning at page 7 in the Amendment, and are not figures for the application itself.

Since the drawings attached to the Amendment are not figures for the application itself, they were properly not identified in the top margin as "Replacement Sheet", "New Sheet", or "Annotated Sheet".

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
